

# 2024 At-a-Glance

Atlanta Gas Light provides clean, safe, reliable, affordable natural gas to about 1,800,000 Georgia customers. We've been a trustworthy source of energy and a constant partner to the communities we serve since our founding in 1856.

**160+ years** Atlanta Gas Light has operated under the same name

**\$2.2M+ in company donations**  
to Georgia charities

**16 + 22 Compressed Natural Gas (CNG) stations**  
we own + number of customer-owned stations we maintain

**#1 ranked natural gas utility**  
in nation to complete replacement of all **2,712 miles** of bare steel/cast iron pipe in its system

**230,027,901** total annual throughput dekatherms (DTH)

**14 certified natural gas marketers**  
in Georgia

**249 municipalities** served

**\$632M** in capital investments in 2024

**420 MARTA buses** operating on CNG through our partnership, transporting over **23M passengers** annually

**Health & Wellbeing Award Winner**  
Platinum status from Mental Health of America and American Heart Association
